Template:

- We recommend the following formats: PDF/X4 with a resolution of 300 dpi in the final format or pixel images with a resolution of 300 dpi in the final format
- Please convert the fonts used in the data into curves or paths

Please create your data with 0.19 in. bleed

Data format 52121 39.76 in. x 20.08 in.

Data format 52122 55.51 in. x 27.95 in.

Data format 52123 71.26 in. x 39.76 in.

Safety margin:

0,39 in. (on all sides) This is measured from the final format and prevents unwanted bleed of your texts and information during production.

Before the final order is placed, you will receive from us a correction proof for confirmation.
